

# You are not alone!

LUNGeivity connects people affected by lung cancer with other patients, survivors, caregivers, and medical experts to get the information and support they need.

*"I was 30 years old and terrified when my mother was diagnosed with lung cancer. None of us knew what we were supposed to do next. I found knowledge, support, understanding, and love at LUNGeivity's Lung Cancer Support Community, and Mom found it too!"*

MELISSA H.

*"I felt instantly connected to strangers who became family. I can't begin to explain what the Survivorship Summit has given to me."*

TRACY A.

*"I CAN do something! LUNGeivity's LinkUP is showing me all the ways I can help in the fight against lung cancer!"*

JESSICA K.

LUNGeivity is the largest national lung cancer-focused nonprofit. We are changing outcomes for people with lung cancer through research, education, and support.

LUNGeivity funds research that has the potential to revolutionize outcomes for those diagnosed with lung cancer. With our strategic approach in two priority areas—finding lung cancer early and treating it more effectively—our research speeds breakthroughs to patients so that they can live longer and better lives.

Find it. Treat it. Live.

Support and Survivorship Programs  
for People Affected by Lung Cancer

# Get Connected

## Support and Survivorship Programs

**LUNGEVITY LIFELINE:** A personalized phone and email support program that matches lung cancer patients with Support Mentors—lung cancer survivors and co-survivors who have walked the lung cancer path and volunteer to mentor and offer encouragement, advice, friendship, and hope to others. This free program is a support resource for individuals, hospitals, and cancer support organizations.

**LUNGEVITY SURVIVORSHIP EVENTS:** The annual International Lung Cancer Survivorship Conference in Washington, DC provides educational sessions for lung cancer survivors and their caregivers at all stages of the disease. Hear from medical professionals and advocates on the latest research and living well with lung cancer, and connect with people who have had a lung cancer diagnosis.

**LUNG CANCER SUPPORT COMMUNITY (LCSC):** The largest online network dedicated to supporting those touched by lung cancer, LCSC is a moderated message board where people can share resources and support.

**CAREGIVER RESOURCE CENTER:** An online resource that offers support and practical advice for caregivers and families of those living with lung cancer.

**LUNG CANCER CLINICAL TRIALS MATCHING SERVICE:** A free, confidential, personalized, phone-in service to help you understand which lung cancer clinical trials may be options for you.

**LUNG CANCER CLINICAL TRIAL FINDER:** Find available lung cancer clinical trials that match your individual situation using our free online tool. Enter your treatment history, and search by type of lung cancer and geographic location.

**PATIENT TOOLS TO MANAGE HEALTHCARE:** The Lung Cancer Navigator mobile app helps patients manage their healthcare. Lung Cancer HELPLine is a toll-free support service answered by oncology social workers. Call 844-360-LUNG.

## Other Ways to Get Connected

LUNgevity welcomes volunteers who are interested in supporting people affected by lung cancer or in helping to raise funds for research into earlier diagnosis and more effective treatments as well as for education and support programs.

**BECOME A SUPPORT ADVOCATE:** Volunteer to be a mentor/support “buddy”, an online supporter on Patient True Talk, or to moderate an online patient community. Visit [www.lungevity.org](http://www.lungevity.org), email [support@lungevity.org](mailto:support@lungevity.org) or call 312.407.6116.

**BE A CLINICAL TRIAL AMBASSADOR:** Have you participated in a clinical trial? Volunteer to mentor potential first-time lung cancer clinical trial participants by providing your personal insight. Go to [LUNgevity.org/clinical-trial-ambassadors](http://LUNgevity.org/clinical-trial-ambassadors) or call 312.407.6100.

**START A TRIBUTE FUND:** Celebrate special people and events with donations to support programs and research into improved survival of lung cancer.

**PARTICIPATE IN OR CREATE YOUR OWN EVENT:** LUNgevity has the largest national network of grassroots events aimed at creating awareness about lung cancer and raising money for lifesaving research and programs. Find out whether there’s a Breathe Deep event in your area and how you can get involved.

## Together we will make a difference!

LUNgevity’s website offers comprehensive, up-to-date resources for anyone affected by lung cancer.

To learn more about any of these resources or LUNgevity events and volunteer opportunities in your area, please:
